

# Wanted: Head Coach Men's First Team

*Water Polo Leuven Aquatics – Season 2026–2027*

---

## Who are we?

Water Polo Leuven Aquatics is the water polo division of Leuven Aquatics vzw, based in Heverlee, Belgium. Our Men's First Team competes at the highest national level in Belgium. Alongside the first team, the club also fields a Women's Team and runs an active youth programme. We are an ambitious club with strong roots in the Leuven sports community.

## What are we looking for?

We are looking for a motivated and experienced coach to further develop our Men's First Team, both technically and tactically.

### Responsibilities:

- Leading the weekly training sessions of the Men's First Team
- Match preparation and sideline coaching at national level
- Monitoring the individual development of players
- Collaborating with youth coaches to support player progression
- Regular consultation with the club board on sporting matters

### Profile:

- Experience as a water polo coach, preferably at competitive level
- Coaching qualification in water polo (or willingness to obtain one)
- Strong communication skills; Dutch language skills are a plus
- A team player with a positive and results-driven attitude
- Knowledge of the Belgian water polo landscape is an advantage

## What do we offer?

- An exciting role within a passionate and close-knit club
- A motivated group of players competing at national level
- Support from an active club board
- Compensation to be discussed
